VERMILYE'S COLLEGE,

816 BROADWAY, near 11th St., NEW YORK.

SHORTHAND AND TYPEWRITING SITUATIONS

pay gentlemen, ladies, boys, and girls much better salaries than most positions, and the demand is greater. Shorthand is indispensable in all kinds of business—banks, insurance offices, railroad, and steamboat offices. Manufacturers, editors, lawyers, clergymen, etc., etc , employ shorthand writers who can use the typewriter. The old-style way of writing with the pen is a thing of the past; the wide-awake, energetic business man now employs a stenographer.

To GENTLEMEN it is the great STEPPING-STONE to influence, position, and power.

To LADIES their is no better occupation; the hours are short, the associations excellent, and the salaries double that of bookkeepers, telegraphers, copyists, clerks, and other occupations open to ladies. Persons who are deficient in rhetoric, spelling, business letter-writing, etc., will find a stenographic course of great value in general.

SUPERIOR ADVANTAGES OFFERED.

VERMILYE'S College includes 12 large, light, airy rooms, specially adapted to school purposes; centrally located, easy access from all railways and ferries. Open day and evening the entire year. Electric lights and revolving ceiling fans for summer use. Every comfort, convenience, and advantage is extended to the pupils of this College.

If you wish to LEARN IN QUICKEST TIME and at LEAST EXPENSE with a day's daily instruction (if desired) in best system, taught in best manner, with every moment devoted to SHORTHAND and TYPEWRITING with SUCCESS POSITIVELY GUARANTEED, GO TO VERMILYE'S COLLEGE.

Students fitted for office shorthand positions in from THREE TO FOUR MONTHS' TIME BY VERMILYE'S RAPID METHOD OF TEACHING. No previous knowledge of either art required.

Students commence any day (except Saturday); receive individual or private lessons; or can join a class.

This is the ONLY school where the PRINCIPAL and his WIFE give their entire time and attention to teaching STENOGRAPHY and TYPEWRITING both day and evening.

Don't throw away your TIME AND MONEY by going to temporary schools and incompetent teachers, when you can get your lessons just as reasonable at Vermilye's old-established, reliable school.

This school always contains a number of students who have left incompetent teachers in disgust; and from recently started schools, where the pupils do not have sufficient facilities for ever becoming rapid and accurate Stenographers and Typewriters.

We are old-established, used to the business, and know just how to go about graduating expert shorthand writers and typewriters in the shortest time, consequently at the least expense. No similar school has half as many shorthand graduates in profitable positions. More than two hundred pupils secured positions during the past year. We do our own teaching—don't hand our pupils over to cheap, hired teachers. In some cases we have given LESSONS BY MAIL AND AT THE RESIDENCES OF PUPILS, but we don't advise it, for they miss the manifold "School Advantages," which no private teacher can give.

"A Copying Office and Reporting Directory" is connected with this College, where pupils are graduated with actual experience and assisted to positions FREE OF CHARGE.

All the leading typewriting machines used, and pupils can perfect themselves on one or all of them.

SPEED CLASSES

morning, afternoon, and evening, FREE to all pupils. Shorthand writers, come and increase your speed.

A GOLD MEDAL

beautifully and appropriately engraved, is presented to each graduate in Stenography and Typewriting. Free circulars. Write or call.
