WEIGHING STATIONS FOR COAL.

The following scales have been designated by the Mayor as weighing stations for coal and coal vehicles under the provisions of chapter 327 of the Laws of 1900:

Under this law every purchaser of coal in New York City has the legal right to send any load of coal so purchased to any of the following scales to be weighed, provided that the scales shall be no more than one-half mile distant from the place of loading or of the place of delivery of said coal.

The weigh master is entitled to a fee of 15 cents a ton, which must be paid by the purchaser, and which may be given to the driver or sent by any other person along with the coal.

After the loaded vehicle is weighed and the coal delivered to the purchaser, the driver must take the empty vehicle back to the scale to be weighed, and the weigh master will then send a certificate of the weight to the purchaser.

STREET AND AVENUE DIRECTORY

OF THE

BOROUGH OF MANHATTAN

Corrected May 1, 1908.

FOR STREET DIRECTORY OF THE BOROUGH OF THE BRONX SEE PAGE 130

Entered according to Act of Congress, in the Year 1908, by
THE TROW DIRECTORY, PRINTING & BOOKBINDING CO.,
In the Office of the Librarian of Congress at Washington.

EXPLANATION.

If you wish to find the location of any dwelling-house or store,—for instance, No. 80 **ALLEN** Street.—on consulting the Street Directory (*see* **ALLEN**) you will observe that 66 Allen is on the right hand of that street and on the corner of Grand, and 86 Allen is on the right-hand corner of Broome; hence the desired number, 80 Allen, will be on the right-hand side of Allen Street, between Grand and Broome.

Or, suppose you are going up Broadway, and wish to take a cross street, so as to call at 236 Hudson Street; on examination (*see* **HUDSON**) of the corner numbers in Hudson Street, you will observe that 230 Hudson Street is on the corner of Broome; hence by passing from Broadway, through Broome Street to Hudson, you are near to the desired number, 236.

NOTE.—For location of apartment houses and office buildings see pages 92 and 97.

STREET AND AVENUE DIRECTORY

OF THE

BOROUGH OF THE BRONX

Corrected May 1, 1908.

FOR STREET DIRECTORY OF THE BOROUGH OF MANHATTAN SEE PAGE 103.

Entered according to Act of Congress, in the year 1908, by
THE TROW DIRECTORY, PRINTING & BOOKBINDING CO.,
In the Office of the Librarian of Congress at Washington.

EXPLANATION

NOTE.—The following resolution, adopted by the Board of Aldermen March 21, 1882, and approved by the Mayor March 28, 1882, will explain the plan of numbering the streets north of Harlem River:

That Willis avenue be numbered, commencing at the Harlem River, and that said numbering run continuously through Willis, Melrose, and Webster avenues.

That all other avenues in the Twenty-third and Twenty-fourth Wards, having a generally northerly and southerly direction, be given the same number at the cross streets nearest their southern terminus as that on Willis, Melrose, and Webster avenues at the intersection of said cross street, and then numbered accordingly.

NOTE.—The following resolution was adopted by the Board of Aldermen April 1, 1902, and was received from the Mayor April 15, 1902, without his approval or disapproval thereof; therefore, as provided in Section 40 of the Greater New York Charter, the same took effect as if he had approved it:

Resolved, That the names of all streets, heretofore named by proper authority, west of Jerome avenue, in the Borough of the Bronx, running from east to west, be and the same are hereby changed by prefixing the word "West" to each and every of the respective names of such streets, and that hereafter, whenever a street west of Jerome avenue, in the Borough of the Bronx, running from east to west, shall be named, the word "West" shall be prefixed to the balance of the name given to such street; that the names of all streets, heretofore named by proper authority, east of Jerome avenue, in the Borough of the Bronx, running from west to east, be and the same are hereby changed by prefixing the word "East" to each and every of the respective names of such streets, and that hereafter, whenever a street east of Jerome avenue, in the Borough of the Bronx, shall be named, the word "East" shall be prefixed to the balance of the name given to such street.
