TROW'S

NEW YORK CITY

DIRECTORY.

VOL. CIV.

FOR THE YEAR ENDING

MAY 1, 1891.

PUBLISHED ANNUALLY
BY
THE TROW CITY DIRECTORY COMPANY,
11 UNIVERSITY PLACE, N. Y.

Printed and bound by
TROW'S PRINTING AND BOOKBINDING COMPANY,
201-213 EAST TWELFTH STREET, NEW YORK.

Price, Seven Dollars and Fifty Cents.

Entered according to Act of Congress, in the year 1890, by
THE TROW CITY DIRECTORY COMPANY,
In the Office of the Librarian of Congress at Washington.

PREFACE, 1890.

ONE hundred and four years ago the first New York City Directory was issued. It contained the names and addresses of 846 of the then citizens of this city; from that it has grown to a volume containing in 1870, 189,000 names; 1880, 273,000; in 1890, 360,980.

It is now of immense proportions. The canvassing for, compiling, and printing, is a difficult and expensive work. Its great bulk has compelled us to change its entire appearance and form, it now being printed in three columns. This has caused additional expense and somewhat delayed the publication, and we are compelled to advance the price to $7.50, being the only change in price since 1880, and even at this price it is a marvel of cheapness, as a comparison of the price with other city directories will show. It could not be produced at this price were it not for its advertising patronage.

It will be seen, on glancing through the Directory, that the best men of the city are represented in its advertising pages. An advertisement in the Directory is sure of preservation; it carries the advertiser's announcement into the very citadel of every business man, as the book is the adjunct of the office desk, and is the object of constant reference. It is not glanced at and thrown away, as is the circular, the newspaper, or the pamphlet, and in this respect it stands pre-eminently a most valuable advertising medium.

We again wish to repeat what we said in last year's preface regarding the finding of names in the Directory.

TO FIND A NAME YOU MUST KNOW HOW IT IS SPELLED. In reference to the spelling of names we append a very few instances of names differently spelled, with the pronunciation nearly the same, as follows: Allan, Allen, Allyn; Auld, Old; Ayers, Ayres; Bauer, Baur, Bower; Berger, Burger; Bigelow, Biglow; Bermingham, Birmingham; Bogart, Bogert; Cohen, Cohn, Kohn; Helbeck, Helberg, Helbig; Kenny, Kinney; Loewenberg, Lowenberg; Reis, Reiss, Rice; Sanders, Saunders; Shafer, Schaffer, Schaefer, Schaeffer, Shaefer, Shaffer, Schefer, Scheffer, and hundreds of others, having a similarity of sound, but a difference of spelling which separates

them in their alphabetical arrangement by many pages; considering the above facts, it is obvious that if you do not have the correct spelling, it is necessary that you should know the ramifications of the name you are seeking.

Frequently we find that persons of the same family spell their names differently—plain Smith becomes Smyth, Smythe, etc.; Jenks becomes Jencks, Jenckes, and so on, *ad infinitum*. We wish to say it is not in human power to have a directory of a city of one and a half million inhabitants absolutely correct in all of its details. Our canvassers are in very many instances obliged to get their information from servants in the houses; they vary in nationality, in education, and intelligence. During the time that we are canvassing, we receive a daily average of twenty letters stating that some member or servant of the writer's household gave our canvasser wrong information, and frequently we find that the writer himself has erred in giving information. Again, some of our citizens give names spelled wrong intentionally, in order to avoid jury duty, taxation, recognition, etc., etc. But notwithstanding all these difficulties, our long experience and thorough system enables us to get the names and addresses as accurate as human minds and hands can do. Many persons who appreciate the magnitude of our undertaking remark, "that the wonder is, not that we make errors, but that we make so few."

Believing that we have compiled and printed the most correct Directory of its size on this continent, we remain,

Yours truly,

THE TROW CITY DIRECTORY COMPANY.

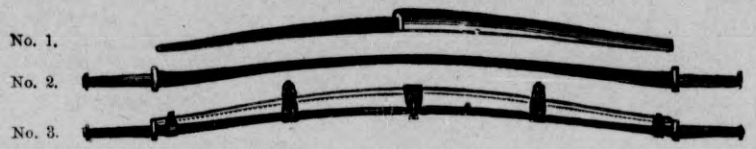
FINE CARRIAGES AND ROAD WAGONS.

We have received the following letter from GENERAL MCCLELLAN, in regard to the



VERTICAL STEEL PLATES

Used in the Axle beds of all our Trotting and Road Wagons:

NEW YORK, June 1st, 1871.

GENTLEMEN:—I have carefully examined your Patent Vertical Steel Plate Axle. I find that the addition of the Vertical Plate renders the Axle about *two and a half* (2 1-2) *times* as stiff as it would be without it.

Very respectfully, GEO. B. McCLELLAN.

No. 1.—Half the wood removed from an Axle bed, showing the position of the plate. No. 2.—The Axle.
No. 3.—The Axle and Axle bed combined.
