EVERY & FREEMAN,
STEAM CARPET CLEANING
— AND —
RENOVATING WORKS,
Nos. 226 & 232 East 42d Street.

We beg to inform you (with many thanks for your past patronage and soliciting for the continuance of the same) that we now have several of the finest and latest patented machines now in use, to which we have added improvements to such an extent, that we now (after over forty years' careful study and experience) do justly consider and claim, that we can give the utmost satisfaction to those who may give us their Carpets, Rugs, or Linens—which should only be given to the *careful* and *experienced* to clean. We claim to be both of these, as well as competent, with our improved machinery and facilities to have our work of cleaning, airing, and thoroughly removing moth, spots, or stains from carpets, rugs, or linens, unsurpassed by any.

Our machines (which may be seen by the cut above) are so peculiarly adapted, that the finest fabrics can be cleaned without the slightest injury, yet cleaned so *thoroughly* that no moth, nor a particle of dust can remain in them. We will give you an unrefutable proof of this if you will kindly send us your orders.

Your attention is respectfully invited to our Naphtha Renovating Process, which for cleaning carpets and all qualities of Rugs, Portieres, Tapestries, Curtains, and Blankets is equaled by few and excelled by none.

The above-mentioned articles having gone through this course of renovation, consisting of Naphtha and other chemical compounds (exempt of acids) and used by one who thoroughly *understands the business*, are as free from dirt, oil, and grease as when they came from the loom, and that without injury or danger of fading the most delicate and costly fabrics. Send for Renovating Price List.

Our "packing and wrapping" carpets moth-proof is a success, either for summer or storage, and we will warrant them to keep for years without cleaning, or fear of moth's ravages.

Carpets taken on storage for the summer or an indefinite period, and special insurance policies drawn for owners if desired.

Carpets taken up and relaid. Making new carpets or making over old ones a specialty.

Carpets taken away, cleaned, and returned same day, without regard to weather, if desired.

PRICES FOR CLEANING.

BRUSSELS, INGRAIN, or THREE-PLY Carpets,	5 to 6c. per yard.	WILTON and AXMINSTER,	8c. per yard.

It is chiefly through the recommendation of our work by one customer to another, that we owe the increasing prosperity of our business, therefore we offer, for the perusal of the public, a few of the many thousand names on our books.

WILSON'S

STREET AND AVENUE DIRECTORY

OF THE

CITY OF NEW YORK.

Corrected May 1, 1890.

Entered according to Act of Congress, in the Year 1890, by
THE TROW CITY DIRECTORY CO.,
In the Office of the Librarian of Congress at Washington.

EXPLANATION.

If you wish to find the location of any dwelling-house or store,—for instance, No. 80 **ALLEN** Street,—on consulting the Street Directory (*see* **ALLEN**) you will observe that 66 Allen is on the right hand of that street and on the corner of Grand, and 86 Allen is on the right-hand corner of Broome; hence the desired number, 80 Allen, will be on the right-hand side of Allen Street, between Grand and Broome.

Or, suppose you are going up Broadway, and wish to take a cross street, so as to call at 236 Hudson Street; on examination (*see* **HUDSON**) of the corner numbers in Hudson Street, you will observe that 230 Hudson Street is on the corner of Broome; hence by passing from Broadway, through Broome Street to Hudson, you are near to the desired number 236.

NOTE.—The following resolution, adopted by the Board of Aldermen March 21, 1882, and approved by the Mayor March 28, 1882, will explain the plan of numbering the streets north of Harlem River:

Resolved, That the prefix West be given to all cross streets in the Twenty-third and Twenty-fourth Wards lying west of the avenue (known as Broadway), which runs from a point in the vicinity of Kingsbridge to Yonkers, and that the prefix East be given to all cross streets lying east of said avenue and the Harlem River.

That Willis avenue be numbered, commencing at the Harlem River, and that said numbering run continuously through Willis, Melrose, and Webster avenues.

That all other avenues in the Twenty-third and Twenty-fourth Wards, having a generally northerly and southerly direction, be given the same number at the cross streets nearest their southern terminus as that on Willis, Melrose, and Webster avenues at the intersection of said cross street, and then numbered accordingly.

That cross streets at their easterly intersection with said Willis, Melrose, and Webster avenues be given a specific number,* and that all cross streets be numbered therefrom, diminishing toward the west and increasing toward the east, according to their distance from said Willis, Melrose, and Webster avenues.

* 650.

NOTE.—For location of apartment houses and office buildings see pages 46 & 47.
