EAST RIVER STEAM KINDLING WOOD FACTORY,
1104 FIRST AVENUE, COR. E. 61ST ST. { Orders received through all American District and Western Union Telegraph Offices FREE. *Send for Price-List.* **FRED. BUSE, Prop.**

THE
MERCANTILE AGENCY

THE OLDEST, THE LARGEST,
THE MOST COMPLETE.

The difference in price for the use of the various Agencies is rarely more than Twenty-five Dollars. Now, to save this small percentage, spread over an entire year, some are disposed to content themselves with a second-rate Agency. A moment's reflection ought to convince those who so decide that the saving thus made is most unwise, for the following reason: presuming that an Agency, to be worth anything, must have at least 5,000 subscribers, by accepting a rate lower, say even by $25, relinquishes an income of $125,000, which, if received and judiciously spent, would make a very great difference in the quality of its information. The subscriber, by saving his $25 a year, thus deprives himself of the advantage of an expenditure of $125,000 per year. But a really first-class Agency, that has, say 20,000 subscribers, by its insistence on the payment of even this additional $25 as a remunerative rate, thereby adds to its revenue $500,000. If the subscriber can, by the payment of $25, secure all the advantages of a judicious expenditure of a half a million dollars, by persons in whom he has confidence, directed by long years of experience and with machinery in perfect working order, is there, in the whole course of his business, an expenditure that will pay him a better return than this $25 additional?
