Our line of MACHINERY AND SUPPLIES
LARGEST AND BEST IN THE WORLD. 15 WARREN ST., N. Y.

THE PACKARD
SCHOOL OF STENOGRAPHY

is the recognized shorthand school of America, and the authorized headquarters of Munson Phonography. It has put more young men and young women in first-class places during the past year than any other school or agency, and has given the best satisfaction to the public.

The delightful appointments of this school, its elegant apartments, with unequaled light and ventilation; its perfect system of instruction, covering the entire field of knowledge required by the practical stenographer, and its standing in the community render it in all respects worthy of patronage.

Mr. James E. Munson, Court Reporter for the past 25 years, and author of the leading system of shorthand in this country, says of it:

"The Packard School of Stenography, as at present conducted, comprises the best there is in shorthand teaching. I have had occasion to examine critically the methods pursued there, and the results attained, and speak of my own knowledge. . . . In establishing such a school of shorthand, where learners may acquire a practical knowledge of exactly the same phonography as that used by me in my daily practice in actual reporting, Mr. Packard has accomplished that which I have long wished to see done. The Packard School has thus become, and is, the recognized headquarters of Munson Phonography."

THE SCHOOL OF BUSINESS

WHICH ALL INTELLIGENT NEW YORKERS COMMEND IS

PACKARD'S BUSINESS COLLEGE,

Now located on the corner of Twenty-third Street and Fourth Avenue.

This school was established in 1858, and has been the leading school for practical education in the city during its entire history. It has graduated over five thousand pupils, and had in attendance in its different departments, over fifteen thousand. Its former pupils are now occupying positions as Merchants, Bankers, Lawyers, Railroad Men, Accountants, Teachers, Preachers, Congressmen, Editors, and workers in all the useful enterprises of this great country; and wherever they are, and whatever they do, they are loyal friends of the school.

The increased facilities which have been secured by removal to the new quarters in the reconstructed building formerly occupied by the College of Physicians and Surgeons, has enabled the proprietor to add many new features and to greatly improve the course of instruction.

An illustrated circular is published, wherein all the points of the school are fittingly set forth, which will be sent on application to

S. S. PACKARD, President,
