CLEANING and DYEING

FROM FACTORY TO YOU

Gloves cleaned
5c pair, any length

When you send your clothing, curtains, draperies, blankets, etc., to us to be

CLEANED OR DYED

you are dealing direct with the factory. You save the middleman's profit. You assure for your wardrobe clean, wholesome and sanitary surroundings. Your garments are not thrown together with hundreds of others behind the counter, to be held until the wholesale cleanser calls for them, as is the case with a small store, but they are handled separately and free from other-folks' wardrobe.

Only about one per cent. of the cleansers control their own factory, and these factories are usually located in basements or tenement house court-yards. You would not tolerate your maid to surround your wardrobe with these conditions, then why intrust the small dealer around the corner with clothes that you must wear? His knowledge of the cleaning and dyeing business is limited.

We invite you to visit our factory. There you can talk to the men who actually do the work—the men who know every phase of the cleaning and dyeing business. Here you can see your dress or your gloves in the process of cleaning and finishing. Here you can see your curtains pinned out on long, flat tables, not stretched and pulled apart. Blankets, fluffy and white, cleaned and finished like new. Drapes of all kinds cleaned and dyed by men **who know.** If you so desire it, we can cleanse your garments while you wait. We will uncover all of the mysteries that some cleansers and dyers have tried to make you believe existed.

If you are interested and would take advantage of this excellent service, ***telephone*** **Bryant 6739 and a messenger will promptly call upon you.**
